HOW TO SELL GUIDE

Before You Start Selling

1. Always have an adult with you if you're going door-to-door.
2. Bring trash bag fundraiser order tracker to show customers and track with pen or use the Google Form. You do not need to say where you go to school if you don't want to, you could say Johnson County parish school fundraiser.
3. Be sure to collect payment immediately — customers pay you directly, you submit payment for all total orders once final.
4. Practice your sales pitch before going out.

Example Script: Hi, my name is [Name] and I'm raising money to upgrade technology at our school. We're selling strong, reliable trash bags for \$12 a roll. Would you like to support us?'

Great People & Places to Sell To

1. Selling Door-to-Door (With an Adult)

- Only visit houses in your own neighborhood or where you know the families.
- If someone says 'No, thank you' → smile, thank them, and move on.
- Never enter anyone's house — sales happen outside only.
- If someone makes you uncomfortable, walk away immediately.
- Collect payment there via your personal Venmo, cash or check. \$12/bag or package.

2. Selling to Family, Friends, Workplace & Businesses

- Ask family, neighbors, teachers, or church members first.
- Local businesses may buy in bulk.
- Always introduce yourself and explain the cause.
- Collect orders neatly with names, numbers, and rolls sold by bag type.

3. Selling Online Safely

- Parents can post on Facebook but don't mention the school you are selling for due to safety, just mention that it's a school fundraiser to upgrade technology and would love the support. You can take a snapshot of the bags. Keep in mind, people are paying you via cash, check or your Venmo, and you are paying the school via Venmo @htparish by October 15 with memo: HTStrashbag; family last name or drop a check off to the front office. or a check to the office. It would be great if you could submit one big order, but you don't have to and can submit individually on the google form.

4. Tips for Selling More

- Smile & be polite.
- Bundle deals: '3 rolls for \$36'.
- Offer variety: 'Would you like kitchen, lawn & leaf, heavy-duty, or paper bags?'
